<p>Hello. My name is Lilith and I'm from Armenia. Today, my question is, what do you usually eat for dinner?</p> <p>Here in Armenia, we have lots of traditional dishes which are made with meat and are really delicious, but somehow I happen not to like them. It's probably because all my childhood I've eaten Armenian traditional food, and I have grown to dislike this kind of food.</p> <p>So now that I'm lucky to be living alone, I can cook whatever I like. I'm really fond of Italian food. So for dinner, I usually have either a pasta with some different types of sauce, or some soup, sometimes mashed potatoes with steak, and occasionally pizza. I really like seafood and fish. So from time to time, I make some new dishes which include seafood, or fried fish, or fish and chips, and things like that.</p>	<p>enjoy a lot coincidentally don't etc. when I was younger sometimes </p> <p>I eat pasta _____ .</p> <p>My parents _____ have a TV .</p> <p>_____ I wanted to be a doctor..</p> <p>Jeremy is _____ of chocolate croissants.</p> <p>For dinner I eat potatoes, broccoli, chicken, and _____ .</p>
