<p>Hi, my name is Eulices and I'm from Costa Rica. My question is, what is your dream job?</p> <p>Since I very much like video games, I've always wanted <b>to get into</b> that industry, even if Costa Rica is not one country that has a lot of development in it. I would like to develop games because I enjoy them very much, but I would also like to <b>cover</b> them as <b>member of the press</b>. I like writing about them and going to conventions and speaking to developers about their current projects and anything they're working on.</p> <p>I like this medium because it's very innovative. It continues <b>to push forward</b> in a way that most other media does not. And it's currently one of the most interesting <b>fields of work</b> out there. So that's why that would be my dream job..</p>	<p>jobs   write about   progress   journalist   be a part of  </p> <p>There are so many _____ to choose from.</p> <p>I read books _____ in my studies.</p> <p>Billy would like _____ the popular group.</p> <p>The _____ wrote a bad review of the restaurant.</p> <p>I want to _____ the soccer team for the newspaper.</p>
