I would prefer something quite simple like a little ceremony with just some close friends and family of course, and then something to eat afterwards and maybe obviously some music to have a little bit of dance to and a bit of wine, but not something that costs so much money.</p> <p>I do think that we go overboard with this type of thing, but it is your own personal taste and of course it's supposed to be a one-in-a-lifetime thing that we do, so I guess that's why people do spend so much money.
