

## TALKS 18 A Concern for all Mothers

Fill in the matching gaps with the following items:

expense, terminal, illness, needs, challenging, instance, expensive, diagnosed, assist, therapies, development, wonder, something, manage, therapy, generally

I live in a country where \_\_\_\_\_ medical services are \_\_\_\_\_. Now, imagine you have a terminal \_\_\_\_\_ or you have a family who has a \_\_\_\_\_ illness. Or you have a child like mine who was recently \_\_\_\_\_ with autism and needs various \_\_\_\_\_ to aid in his growth and neurological \_\_\_\_\_.

This is \_\_\_\_\_ that you cannot put away. You'll have to do it so that you \_\_\_\_\_ this child in growing. That has been the most \_\_\_\_\_ moment as a parent, because here I am with a child who \_\_\_\_\_ my care, medical services. In this \_\_\_\_\_, occupational therapy, speech \_\_\_\_\_, hydrotherapy among others. And now you \_\_\_\_\_, "Could it have been a different time where you are able to \_\_\_\_\_ this particular \_\_\_\_\_ than it is right now?"
