Would you volunteer for medical experiments?

Lilit from **Armenia** talks about volunteering for medical experiments.

Match the **words in bold** with the words to the right. Then use them in the sentences below.

Hello, my name is Lilit. I'm from Armenia. Today my question is, would you volunteer for medical experiments?

I think medical experiments are **a great way of achieving something in medicine** and a person who volunteers, so for medical experiments, can easily earn some money.

However, I **would not like to** volunteer in a medical experiment because **I consider myself to be an unlucky person**. And if there is even **a 1% chance** of something going wrong, then I think it will definitely happen to me. **Other than that**, I'm really afraid of hospitals. And every time I have to go in for a medical checkup or to give some blood tests, I really feel anxious. And I just don't like the **environment** of the hospitals. **So I don't think there is a chance that I would actually volunteer for any medical experiments**.

besides that | **other than that**
 atmosphere | **environment**
 something unlikely to happen | **a 1% chance**
 good for | **a great way of**
 do not want to | **would not like to**

The library has a quiet, calm environment.

I only have a 1% chance of winning the lottery.

Exercise is a great way of staying healthy.

I would not like to study, but I have to.

I don't want to travel anywhere hot. Other than that, anywhere is fine.

Answer questions about the lesson.
