

## Cancun Trip

**Todd:** So, Shuan, you t\_\_\_\_\_ about being on a cruise and g\_\_\_\_\_ to Key West. Were there any other places that you r\_\_\_\_\_ that were really good on your trip?

**Shuan:** Yeah, we e\_\_\_\_\_ up in Cancun for two days, and I have a really i\_\_\_\_\_ story that I probably shouldn't tell, but I will a\_\_\_\_\_. Well, the first day it was just normal, pretty much shopping, and we c\_\_\_\_\_ out the local sites and stuff and w\_\_\_\_\_ to a Mayan, an old Mayan temple (nice) and it was kind of scary. They told us that they had h\_\_\_\_\_ sacrifices and everything there, so.

**Todd:** Ooh, gory.

**Shuan:** It was kind of creepy, but. On the second day, we w\_\_\_\_\_ snorkeling, and we l\_\_\_\_\_ track of time. The bus d\_\_\_\_\_ us off at around 12 o'clock and we were s\_\_\_\_\_ to meet back at the bus at around 4 o'clock. Unfortunately f\_\_\_\_\_ me and my friend, we didn't have watches, so we w\_\_\_\_\_ snorkeling, and while we were snorkeling we f\_\_\_\_\_ these underwater tunnels which were just f\_\_\_\_\_ with fish and coral and we basically l\_\_\_\_\_ track of time and we w\_\_\_\_\_ swimming through all of th\_\_\_\_\_, and, or yeah, another story about that is we actually s\_\_\_\_\_ a sea lion.

**Todd:** Oh, really.

**Shuan:** A sea lion, yeah. It just c\_\_\_\_\_ right up next to us, so we p\_\_\_\_\_ that, and.

**Todd:** It l\_\_\_\_\_ you touch it?

**Shuan:** It l\_\_\_\_\_ us touch it, yeah.

**Todd:** That is cool.

**Shuan:** We s\_\_\_\_\_ around with the sea lion for a little bit. And then we h\_\_\_\_\_ back, cause we th\_\_\_\_\_ it was around 3 o'clock, but unfortunately it was 4:30 and the bus had a\_\_\_\_\_ left.

**Todd:** Oh, no.

**Shuan:** So we had to r\_\_\_\_\_ a taxi, and I would say that taxi drivers in Mexico are p\_\_\_\_\_ the most dangerous taxi drivers ever. On the way back, I n\_\_\_\_\_ that his speedometer wasn't working, and we must have b\_\_\_\_\_ going around a 130 kilometers per hour down this road. It was only a two lane road. One way for one-way traffic, and one way for the other way traffic, but he was d\_\_\_\_\_ on the shoulder of the lane we w\_\_\_\_\_ to get on so he was passing trucks and c\_\_\_\_\_ and motorbikes, just all on the shoulder and he basically d\_\_\_\_\_ 130 kilometers per hour, right down the side of the r\_\_\_\_\_.

**Shuan:** And we g\_\_\_\_\_ to the ferry terminal where we were s\_\_\_\_\_ to catch the ferry back to the cruise ship, or back to a\_\_\_\_\_ island which the cruise ship was parked at we actually m\_\_\_\_\_ the ferry by three minutes.

**Todd:** Oh!

**Shuan:** Yeah, so they t\_\_\_\_\_ us that the next ferry would be three hours later and we just couldn't a\_\_\_\_\_ to wait because our ship was going to l\_\_\_\_\_, so we couldn't think of anything else but to charter an airplane. So this is all on my dad's credit card, m\_\_\_\_\_ you, so we c\_\_\_\_\_ an airplane and we flew to the island which was about a ten minutes flight, not that long, but it e\_\_\_\_\_ up costing us 500 U.S. dollars

**Todd:** Oh, man.

**Shuan:** And that was just to get b\_\_\_\_\_ to the cruise ship, and it was just the worst time I've ever s\_\_\_\_\_ there.

**Todd:** Oh, man, what a story! Well, what did you dad say about the c\_\_\_\_\_ card bill?

**Shuan:** Um, I got b\_\_\_\_\_ for it a few months l\_\_\_\_\_.

## Cancun Trip

**Todd:** So, Shuan, you t\_\_\_\_\_ (**alked**) about being on a cruise and g\_\_\_\_\_ (**oing**) to Key West. Were there any other places that you r\_\_\_\_\_ (**emember**) that were really good on your trip?

**Shuan:** Yeah, we e\_\_\_\_\_ (**nded**) up in Cancun for two days, and I have a really i\_\_\_\_\_ (**nteresting**) story that I probably shouldn't tell, but I will a\_\_\_\_\_ (**nyway**). Well, the first day it was just normal, pretty much shopping, and we c\_\_\_\_\_ (**hecked**) out the local sites and stuff and w\_\_\_\_\_ (**ent**) to a Mayan, an old Mayan temple (nice) and it was kind of scary. They told us that they had h\_\_\_\_\_ (**uman**) sacrifices and everything there, so.

**Todd:** Ooh, gory.

**Shuan:** It was kind of creepy, but. On the second day, we w\_\_\_\_\_ (**ent**) snorkeling, and we l\_\_\_\_\_ (**ost**) track of time. The bus d\_\_\_\_\_ (**ropped**) us off at around 12 o'clock and we were s\_\_\_\_\_ (**upposed**) to meet back at the bus at around 4 o'clock. Unfortunately f\_\_\_\_\_ (**or**) me and my friend, we didn't have watches, so we w\_\_\_\_\_ (**ent**) snorkeling, and while we were snorkeling we f\_\_\_\_\_ (**ound**) these underwater tunnels which were just f\_\_\_\_\_ (**illed**) with fish and coral and we basically l\_\_\_\_\_ (**ost**) track of time and we w\_\_\_\_\_ (**ent**) swimming through all of th\_\_\_\_\_ (**em**), and, or yeah, another story about that is we actually s\_\_\_\_\_ (**aw**) a sea lion.

**Todd:** Oh, really.

**Shuan:** A sea lion, yeah. It just c\_\_\_\_\_ (**ame**) right up next to us, so we p\_\_\_\_\_ (**etted**) that, and.

**Todd:** It l\_\_\_\_\_ (**et**) you touch it?

**Shuan:** It l\_\_\_\_\_ (**et**) us touch it, yeah.

**Todd:** That is cool.

**Shuan:** We s\_\_\_\_\_ (**wam**) around with the sea lion for a little bit. And then we h\_\_\_\_\_ (**eaded**) back, cause we th\_\_\_\_\_ (**ought**) it was around 3 o'clock, but unfortunately it was 4:30 and the bus had a\_\_\_\_\_ (**lready**) left.

**Todd:** Oh, no.

**Shuan:** So we had to r\_\_\_\_\_ (**ent**) a taxi, and I would say that taxi drivers in Mexico are p\_\_\_\_\_ (**robably**) the most dangerous taxi drivers ever. On the way back, I n\_\_\_\_\_ (**oticed**) that his speedometer wasn't working, and we must have b\_\_\_\_\_ (**een**) going around a 130 kilometers per hour down this road. It was only a two lane road. One way for one-way traffic, and one way for the other way traffic, but he was d\_\_\_\_\_ (**riving**) on the shoulder of the lane we w\_\_\_\_\_ (**anted**) to get on so he was passing trucks and c\_\_\_\_\_ (**ars**) and motorbikes, just all on the shoulder and he basically d\_\_\_\_\_ (**rove**) 130 kilometers per hour, right down the side of the r\_\_\_\_\_ (**oad**).

**Shuan:** And we g\_\_\_\_\_ (**ot**) to the ferry terminal where we were s\_\_\_\_\_ (**upposed**) to catch the ferry back to the cruise ship, or back to a\_\_\_\_\_ (**nother**) island which the cruise ship was parked at we actually m\_\_\_\_\_ (**issed**) the ferry by three minutes.

**Todd:** Oh!

**Shuan:** Yeah, so they t\_\_\_\_\_ (**old**) us that the next ferry would be three hours later and we just couldn't a\_\_\_\_\_ (**fford**) to wait because our ship was going to l\_\_\_\_\_ (**eave**), so we couldn't think of anything else but to charter an airplane. So this is all on my dad's credit card, m\_\_\_\_\_ (**ind**) you, so we c\_\_\_\_\_ (**hartered**) an airplane and we flew to the island which was about a ten minutes flight, not that long, but it e\_\_\_\_\_ (**nded**) up costing us 500 U.S. dollars

**Todd:** Oh, man.

**Shuan:** And that was just to get b\_\_\_\_\_ (**ack**) to the cruise ship, and it was just the worst time I've ever s\_\_\_\_\_ (**pent**) there.

**Todd:** Oh, man, what a story! Well, what did you dad say about the c\_\_\_\_\_ (**redit**) card bill?

**Shuan:** Um, I got b\_\_\_\_\_ (**illed**) for it a few months l\_\_\_\_\_ (**ater**).
