

## While, Although, Though

A man and a woman talk about a washing machine.

**Advanced English - Sound Grammar**

C1 Lesson 9 Conversation 2

**Part 1:** Listen to the conversation and answer the questions.

| 1 | What is the man's main concern about the washing machine? | 2 | How long is the warranty? | 3 | What does the man decide to do? |
|---|-----------------------------------------------------------|---|---------------------------|---|---------------------------------|
| a | If it's worth the price                                   | a | One year                  | a | Buy the washing machine         |
| b | If it's cheap                                             | b | Three years               | b | Keep shopping around            |

**Part 2:** Underline the mistake in the text. Write the correction in the space to the right.

|                                                                                                                                                        |    |            |
|--------------------------------------------------------------------------------------------------------------------------------------------------------|----|------------|
| <b>Man:</b> Hello, can I <u>asked</u> you some questions about this washed machine?                                                                    | 1  | <b>ask</b> |
|                                                                                                                                                        | 2  |            |
| <b>Woman:</b> Sure, I don't know too many about it, but I can try.                                                                                     | 3  |            |
| <b>Man:</b> Well, my main concerns is that it is worth the price.                                                                                      | 4  |            |
| <b>Woman:</b> Yes, it is a bit pricey, although it do come with a three-year warranties.                                                               | 5  |            |
|                                                                                                                                                        | 6  |            |
| <b>Man:</b> Hm, still, I think I wants to shop around. I think I can find it cheapest elsewhere.                                                       | 7  |            |
|                                                                                                                                                        | 8  |            |
| <b>Woman:</b> That's understandable. However, while another stores might have cheaper prices, they likely won't has free delivery and free installing. | 9  |            |
|                                                                                                                                                        | 10 |            |
|                                                                                                                                                        | 11 |            |
| <b>Man:</b> OK, you've changed me mind. I'll take it.                                                                                                  | 12 |            |
| <b>Woman:</b> Great! Please follow me into the register.                                                                                               | 13 |            |
