

Hi everyone. \_\_\_\_\_ (I'm / My name) is Jill, and I'm from Australia. And \_\_\_\_ (my / me) question today is, \_\_\_\_\_ (what / why) did you do \_\_\_\_\_ (last / least) night?

I had a really \_\_\_\_\_ (fun / fan) night last night. I got to \_\_\_\_\_ (meet / meat) with some friends that I hadn't \_\_\_\_\_ (seen / scene) in a while, so my friend cooked dinner \_\_\_\_\_ (for / four) us, so we went to her place, and we \_\_\_\_\_ (sit / sat) together, we ate all of the food, and we \_\_\_\_\_ (talking / talked). We laughed and we danced a little all \_\_\_\_\_ (thought / through) the night. She made a beautiful dish \_\_\_\_\_ (for / with) mushroom rice \_\_\_\_\_ (and / an) chicken and potatoes, and \_\_\_\_\_ (afterwards / after) we helped clean, so \_\_\_\_\_ (she / we) vacuumed her living room. We cleaned the dishes, and \_\_\_\_\_ (than / then) we decided that we wanted some \_\_\_\_\_ (dessert / desert). And so we walked to the \_\_\_\_\_ (nearest / near) bubble tea shop \_\_\_\_\_ (where / what) we laughed so much that we \_\_\_\_\_ (were / where) scared we were going to get kicked \_\_\_\_\_ (up / out), but we didn't. And so we \_\_\_\_\_ (sat / seat), we laughed, we talked, and then I had to \_\_\_\_\_ (said / say) goodnight and come home for \_\_\_\_\_ (an / the) evening.

What about \_\_\_\_\_ (you / yours)? What did you \_\_\_\_\_ (do / doing) last night? Did you do \_\_\_\_\_ (anything / anywhere) fun?
