

Hello, my name is Preah. I am from Belize, and I am an ESL _____ (teach / teacher). Belize is in Central America. It is actually the _____ (only / once) English-speaking country in Central America. And my question was, _____ (how / what) has your life changed in the last five years?

And I'm glad I _____ (got / give) this question because two days _____ (ago / later) I was thinking about this _____ (exact / exactly) same thing. I am 21 years old, will be 22 ____ (in / on)November. So, five years ago I was actually _____ (graduation / graduating) high school. Yes, I am a 2017 _____ (graduation / graduate), and since then I have _____ (traveled / traveler). I have a 2-year-old daughter. I have lived in three _____ (distant / different) locations in my country, so I've _____ (move / moved) around a bit, and I am now a _____ (teacher / teach) myself. So, in five years I would say a _____ (lots / lot) has happened. I am going to _____ (school / schools). I'm about to graduate _____ (universal / university) in one year, and I have met thousands and thousands of _____ (person / people) that are from all around the _____ (word / world), have a lot of knowledge from traveling, _____ (experiences / experienced) that I never would've had if I had just _____ (stayed / staying) in my hometown. So, those are the _____ (different / difference) changes.
