

Hi. My name is Nev and I _____ (comes / come) from Canada. For today my _____ (question / questions) is would you like to have a _____ (dangerous / danger) job?

To be _____ (honest / honesty), this is an easy question, and my _____ (answers] / answer) is no. I wouldn't like to have a _____ (dangerously / dangerous) job. I work as a kindergarten _____ (teacher / teach), and to be honest, I love my job. So, if I were to _____ (change / changed) it, I still wouldn't consider doing _____ (anything / anywhere) that's dangerous to me or people _____ (around / above) me.

Why?

That would be an _____ (interested / interesting) thing to explain. Maybe because I _____ (think / sink) I wouldn't be able to do such a job _____ (because / before) I'm very _____ (sensitively / sensitive), and if I see someone in pain or in _____ (any / all) kind of trouble that could _____ (potentially / potential) seriously hurt or damage him, I don't think I _____ (would / wood) be able to deal with all that on a daily _____ (basic / basis). And job is something that you do _____ (every / ever) day so we might as _____ (will / well) like it. That's why I'm keeping _____ (mine / time).

What about you? Would you _____ (consideration / consider) changing your job and _____ (have / having) a dangerous _____ (one / once)?
