

Hi. My name is Nev, and I'm from _____ (Canadian / Canada). My question for today is do you _____ (before / belong) to a group or community?

And _____ (unfortunate / unfortunately) I don't, not because I have _____ (anything / anyone) about being a part of a group ____ (of / or)community. It's only because I've been traveling a lot _____ (over / around) the past six years now. So I haven't _____ (really / rarely) had the chance to be _____ (somewhere / someone) long enough to become a member _____ (of / for) a group or part of a community.

If I were to become _____ (once / one), and hopefully I will in the future, I would _____ (live / like) to join communities that _____ (help / held) people around us, communities that _____ (offer / other) services for let's say _____ (homeless / homebody) people or people who are _____ (struggling / struggled) when it comes to their mental _____ (healthy / health) or things like that. So I think it would be great to _____ (give / gave) something back _____ (to / too) the community and to be a part of _____ (somewhere / something) useful.

What do you think? Would you consider _____ (been / being) a part of a community? Unless you already _____ (are / our).
